WORK EXPERIENCE

Lilly Pulitzer • Graphic Design Intern

March 2025 – September 2025

Designed in-store marketing materials including flyers, event posters, sale hangtags, and seasonal retail signage, ensuring brand consistency across all touchpoints.

Supported print production workflows for in-store collateral, preparing files for vendor handoff and ensuring print accuracy.

Collaborated with the design team on brainstorming sessions for upcoming campaign launches, contributing creative ideas and visual concepts.

Ankur School for Special Children • Art Tutor

August 2021 – October 2021

Adapted lesson plans and creative projects to accommodate different abilities and learning styles while ensuring all students felt included, encouraged, and supported throughout activities.

Demonstrated strong communication, creativity, problem-solving, and interpersonal skills while managing daily activities and supporting children with diverse needs and abilities.

PAWS, Goa • Volunteer, Ultrasound Physiotherapist

June 2021 – August 2021

Administered daily medications and monitored the health, behavior, and recovery progress of shelter animals while ensuring proper care routines were followed accurately and consistently.

Provided support with ultrasound physiotherapy and rehabilitation treatments for injured or recovering animals, helping improve mobility and comfort.

Demonstrated strong animal handling, teamwork, communication, and attention to detail while collaborating closely with veterinary staff, volunteers, and shelter personnel in a fast-paced environment.
